

Headquartered in Franklin, Tennessee, **Acadia Healthcare** operates a network of nearly 600 behavioral healthcare facilities with approximately 18,000 beds in 40 states, the United Kingdom, and Puerto Rico. Acadia provides behavioral health and addiction treatment services to patients in a variety of settings, including inpatient psychiatric hospitals, specialty treatment facilities, residential treatment centers, and outpatient clinics.

Physicians at facilities within the Acadia network play a vital role in our effort to ensure that children, adolescents, adults, and seniors receive the highest quality of personalized care. Acadia physicians are recognized thought leaders who help set the standard for clinical excellence while providing a vital service that improves lives, unites families, and strengthens communities.
